¡Es imposible ser tan escandalosamente chapuceros!

The image displays two side-by-side browser windows from the website <https://www.interdinfuturos.com>, showing CFD data for Bankia Caixa Penedès. The left window is running on Windows Internet Explorer, and the right window is running on Google Chrome. Both windows show a table of market data for CEP.BKIA, including columns for 'contrato', 'último', 'demanda', 'oferta', 'dif', 'máximo', 'mínimo', 'volumen', and 'hora'. The 'último' price is 3.667 in both, but the 'oferta' price is 3.662 in the Chrome window. A calendar on the right indicates the date is Tuesday, October 18, 2011. The text 'GOOGLE CHROME' and 'BANKIA' is overlaid on the right side of the image.
